

# TRAUMA-INFORMED PROGRAM SELF-ASSESSMENT SCALE

<b>Description:</b>	Applicable to human services agencies and programs, this 44-item, validated assessment includes surveys for administrators, providers, and survivor-consumers. The developers created a companion document to supplement the scale, and a revised version of the scale is also available. This scale has been adapted by a number of entities.
<b>Developer:</b>	Roger D. Fallot, Ph.D. & Maxine Harris, Ph.D
<b>Permission for Use Contact:</b>	<a href="mailto:rwolfson@ccdc1.org">rwolfson@ccdc1.org</a>
<b>Validated:</b>	Yes
<b>Involved in the Assessment Process:</b>	Leadership; Staff; Consumers
<b>Intended Audience:</b>	Human services agencies and programs
<b>Length:</b>	44 items
<b>Areas of Focus*:</b>	Policies & Procedures; Environment; Services; Leadership; Staff; Consumer-Organization Relationship; Cultural Competence/Diversity; Partnership/Outreach

The Statewide Collaborative on Trauma-Informed Care (SCTIC) compiled a list of Trauma-Informed Organizational Assessments (TIOA) to help organizations with implementation of trauma-informed practices and policies. This information was gathered from multiple sources; SCTIC members and the Children's Commission cannot guarantee either the accuracy, reliability, or completeness of the information or the effectiveness of utilizing the TIOA, nor endorse any one TIOA tool. A complete list can be found at [TraumaInformedTexas.com](http://TraumaInformedTexas.com) and is intended to serve as a non-exhaustive list. Current as of March 2021.

\* Based on a review of all the TIOAs, eight core areas of focus were identified. If an assessment does not include a focus area it is crossed out.
